

Release Notes 1.7.2

11/04/02

The following items have been moved (migrated) to Production for use by Agencies beginning on November 4, 2002.

- The following pay tables were updated in EHRP: GN and FC 0000.
- Availability pay now appears on the SF50.
- A modification was migrated to ensure that the hire NTE date is removed from Employment 1 when the employee is terminated or separated. Previously, when an NTE employee had been terminated the Hire NTE date was not removed.
- The effective date for pay plan AD, pay table 0000 was changed from 1/1/02 to 1/1/01.
- The code behind the Service Agreement page has been changed to make sure that the appropriate service agreement values are selected.
- The following queries have been modified:
 - HE0043 – Actions Processed within department – Dept ID prompt has been added.
 - HE0012 – Health Benefits Field Report – Date prompts now use the effective date from tracking data (was prompting with action date)
 - HE0024 – EHRP – Users who Separated Revision made – Removed max effective date logic.
